

# AN INVITATION

## CALLING ALL SPANIELS AND RETRIEVERS

The Victorian Gundog Club is holding a field training day and mini competition for spaniels & retrievers of ALL breeds

SATURDAY 10TH MAY 2008

PLACE— For directions etc please contact either of the people listed below closer to the date

The day will begin in the morning (about 10am) with training focusing on the skills the dog will need to work successfully in the field.

After a BBQ lunch we will have a mini working test for the dogs.

[BBQ free. Cold drinks for sale. BYO chair and hot drink ]

FULL DETAILS will be available from the Victorian Gundog Club (see below)

This is the first in a series of training days for spaniels & retrievers to help owners to get and keep their dogs under control in field situations. The next one will be run by the English Springer Spaniel Club in June/July.

All dogs must have a secure lead and, because some of the work will be off lead, they should come when they are called!

All spaniel & retriever breeds are welcome.

Bring your puppies and start them off young.

Bring your older dogs—it is never too late for them to learn control

GUNDOG CLUB CONTACTS for this day are:

Steve Sapsead  
0418 529 121
